Arthur Larson  
Rt. 4 Box 261  
Greeley, Colorado

Approaching the track, the train was already in the crossing and I had to wait for it. While I was stopped, my daughter and I looked to see if the bus had stopped, which it did, so I thought they had seen the train and was going to wait, so I went on.

/S/ Arthur Larson

(Mr. Larson was approximately a quarter of mile East of the scene of the accident at another crossing.)
